Camargo Racquet Club

Welcome to the Camargo Family of tennis players!

All of us at Camargo Racquet Club invite you to join us in kicking off the start of a new year of quality tennis, fun, and friendship at the best indoor tennis facility in the Midwest. Our professional teaching staff and club personnel look forward to serving you and your family's tennis needs and helping take your games to the next level!

For the upcoming season, we are pleased to offer a diverse selection of clinics, round robins, aerobic workouts and training opportunities to meet every level of tennis player and every player's lifestyle. Whether you are brand-new to the sport or a seasoned veteran, an early bird or evening career player, Camargo offers the right tennis program for you.

All 10 of our indoor courts have been freshly resurfaced. As well as 2 dedicated and lined Pickleball courts for your enjoyment.

Camargo is proud of its longstanding legacy of more than 40 years in developing tennis players. We provide excellent instructional and recreational tennis to our members and the community. We have successfully trained and mentored much of Cincinnati's Eastside through the tennis ranks, from the new beginner player to the top competitor. Our club offers a strong Adult and Junior instructional program, as well as weekly social functions and organized tennis play in an inviting, family-oriented and friendly atmosphere. Camargo is extremely proud of its ability to offer our members and guests the best teaching staff available in the tri-state area.

We're excited to share some recent updates around the club, including a brand new parking lot, fresh exterior paint, and new outdoor signage, all part of our commitment to keeping Camargo welcoming and up to date.

Looking ahead, more improvements are planned inside the facility this season. While details are still being finalized, we appreciate your support as we continue working to enhance your experience.

If you are new to our Camargo tennis family, your membership is a great gateway to making long-lasting friendships. To our current and long-term members, we are delighted to welcome you back for another season of fun, competition, and social activity that all begins on the tennis courts. Interclub Team Competition

The best way to improve your game is to play against others. Interclub competition offers motivated players the opportunity to further develop their games by participating in team play competition against the best players at their level in the tri-state area. Please contact Tennis Staff Director Chris Thatcher to schedule a rating or to join an Interclub team.

General Information

Team format consists of 8 to 12 members who compete weekly as a team in either doubles or singles matches against other tennis clubs in the greater Cincinnati area. Players participate in weekly team practices on a specific day and time using two courts and one or two teaching pros.

The League begins in late August and runs through May with matches played Monday through Friday for weekday teams and Saturday and Sunday mornings or afternoons for women's career and men's teams. Teams within a specific league are organized into divisions, and team standings are maintained by the Greater Cincinnati Indoor Tennis Association (G.C.I.T.A.). The top teams advance to City Playoffs.

**The Winter 2026 session begins
Saturday, Jan 3, 2026**

Partners

The teaching staff at Camargo Racquet Club believes that in most cases, players who compete with the same partner form more successful teams. Therefore, we would prefer that you find a permanent partner to play with for the season. If you do not have a partner, we will work to find you a partner for the Interclub season.

Captains

Each team will have a Captain to assist the Pros whenever needed. Captain's duties typically consist of confirming player availability, confirming away matches with host clubs, and maintaining score sheets for the team's weekly matches. Captains are determined by a team vote at the conclusion of the first team practice. If you are interested in serving as a "Team Captain", please notify Chris Thatcher.

League Membership,

Matches & Fees

Each Interclub player must be a member of the Greater Cincinnati Indoor Tennis Association (G.C.I.T.A.) at a cost of \$40/year/player. Camargo will charge your account and remit payment on your behalf. Interclub match fees are \$20 per player for Doubles and \$22 for Singles. Team practice fees are \$28 for a 90-minute practice with an on-court Pro. The option of a 2nd on-court Pro is available. A minimum of 8 players for Doubles or 4 players for Singles is required.

USTA Team Tennis

USTA indoor adult daytime leagues are now offered by Camargo Racquet Club on Fridays from September through May. In order to participate in USTA, players must join or renew their USTA membership.

Membership information is available at www.usta.com. For additional information please contact Chris Thatcher.
